

THIS ANNOUNCEMENT RELATES TO THE DISCLOSURE OF INFORMATION THAT QUALIFIED AS INSIDE INFORMATION WITHIN THE MEANING OF ARTICLE 7(1) OF THE MARKET ABUSE REGULATION (EU) 596/2014.

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION IN OR INTO OR TO ANY PERSON LOCATED OR RESIDENT IN THE UNITED STATES, ITS TERRITORIES AND POSSESSIONS, ANY STATE OF THE UNITED STATES OR THE DISTRICT OF COLUMBIA (THE “UNITED STATES”) OR IN OR INTO ANY OTHER JURISDICTION WHERE IT IS UNLAWFUL TO RELEASE, PUBLISH OR DISTRIBUTE THIS DOCUMENT.

23 January 2023

AA Senior Co Limited (the “**Borrower**”) today announces the invitation to eligible holders (subject to the “*Offer and Distribution Restrictions*” (as described below)) of the £550,000,000 4.875% Fixed Rate Sub-Class A7 Notes due 2024/2043 issued by AA Bond Co Limited (the “**Issuer**”) (ISIN: XS1856940462) (of which £550,000,000 in aggregate principal amount is outstanding) (the “**Notes**”) to tender their Notes for purchase by the Borrower for cash in an aggregate principal amount of no more than the Maximum Acceptance Amount (the “**Offer**”).

The Issuer also intends to issue new sterling-denominated Sub-Class A11 Fixed Rate Notes due 2028/2050 expected to be issued by the Issuer on or about 6 February 2023 (the “**New Notes**”), subject to market conditions. Whether the Borrower will accept for purchase Notes validly tendered pursuant to the Offer is subject, without limitation, to the successful completion (in the sole determination of the Borrower) of the issue of the New Notes by the Issuer, the proceeds of which will be lent by the Issuer to the Borrower, and applied by the Borrower to fund the Offer (the “**New Financing Condition**”).

The Maximum Acceptance Amount will be announced by the Borrower as soon as practicable following pricing of the New Notes, which is expected to be on or about 26/27 January 2023. In that announcement, the Borrower will also confirm that Acceptance Codes have been sent by the Dealer Managers to Noteholders who have subscribed for and been allocated New Notes. The Offer is being made on the terms and subject to the conditions set out in the tender offer memorandum dated 23 January 2023 (the “**Tender Offer Memorandum**”) and is subject to the “*Offer and Distribution Restrictions*” set out below.

Subject to applicable law, the Borrower reserves the right, in its sole and absolute discretion, to extend, re-open, withdraw or terminate the Offer and to amend or waive any of the terms and conditions of the Offer (including the New Financing Condition) at any time before any unconditional acceptance by the Borrower of the Notes tendered for purchase in the Offer as described in the section “*Amendment and Termination*” of the Tender Offer Memorandum, including with respect to any Tender Instructions already submitted as of the time of any such extension, re-opening, withdrawal, termination, amendment or waiver.

Capitalised terms used in this announcement but not otherwise defined have the meanings given to them in the Tender Offer Memorandum.

The table below sets forth certain information relating to the Notes:

Offer Period

The Offer commences on 23 January 2023 and will end at 16:00 (London time) on 2 February 2023 (such date and time, as may be extended) unless extended by the Borrower, in which case notification to that effect will be given by or on behalf of the Borrower by way of announcement as provided in the Tender Offer Memorandum as soon as reasonably practicable after the relevant decision is made.

In order to participate in, and be eligible to receive the Purchase Price (and the Accrued Interest Payment) pursuant to the Offer, Noteholders must validly tender their Notes by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Tender Agent by 16:00 (London time) on 2 February 2023 (the “**Expiration Deadline**”).

Tender Instructions may be submitted as Tender Only Instructions or as Tender and Priority Acceptance Instructions. Please see “*Priority of Acceptance and Acceptance Codes*” below and the Tender Offer Memorandum for more detail.

Rationale for the Offer

The Offer is being made as part of the Borrower’s liability management programme to optimise debt maturities in respect of certain of the Borrower’s financing arrangements, as well as to facilitate investors in the New Notes to switch between holdings of the note sub-classes of the Issuer. The Issuer intends to issue the New Notes, which are expected to be issued on or about 6 February 2023, subject to market conditions. Noteholders

who have subscribed for and been allocated New Notes in addition to tendering their Notes for purchase pursuant to the Offer can receive Priority of Acceptance (over those who have not subscribed for and been allocated New Notes) through the use of an Acceptance Code for the acceptance of their Notes in the Offer. Whether the Borrower will accept for purchase Notes validly tendered pursuant to the Offer is subject, without limitation, to the New Financing Condition.

Proceeds from the issuance of the New Notes will be used for purchasing the Notes in the Offer. Notes purchased by the Borrower pursuant to the Offer will be surrendered to the Issuer for cancellation and will not be re-issued or re-sold. Notes which have not been validly offered and accepted for purchase pursuant to the Offer will remain outstanding.

New Financing Condition

The Borrower is not under any obligation to accept for purchase any Notes tendered pursuant to the Offer. The acceptance for purchase by the Borrower of Notes tendered pursuant to the Offer is at the sole and absolute discretion of the Borrower and tenders may be rejected by the Borrower for any reason. In particular, the acceptance of any Notes for purchase by the Borrower is subject to the New Financing Condition (as described above).

For indicative information on the Issuer's Multicurrency Programme for the Issuance of Class A Notes, prospective investors should refer to the information contained in the base prospectus dated 24 June 2022 and the supplement dated 12 January 2023 (together, the "**Base Prospectus**"). Any investment decision to purchase any New Notes should be made solely on the basis of the information contained in the Base Prospectus, together with the applicable final terms relating to the New Notes (which are expected to be published on 1/2 February 2023), and no reliance is to be placed on any representations other than those contained in the Base Prospectus.

The Borrower reserves the right at any time to waive any or all of the conditions of the Offer (including the New Financing Condition) as set out in the Tender Offer Memorandum.

*The New Notes are not being, and will not be, offered or sold in the United States. Nothing in this announcement or the Tender Offer Memorandum constitutes an offer to sell or the solicitation of an offer to buy the New Notes in the United States or any other jurisdiction. Securities may not be offered, sold or delivered in the United States absent registration under, or an exemption from the registration requirements of, the United States Securities Act of 1933, as amended (the "**Securities Act**"). The New Notes have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States and may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons.*

The New Notes have and shall only be offered in conformity with the provisions of the Base Prospectus and the selling restrictions and, if applicable, the exemption wording, contained therein.

Compliance information for the New Notes: MiFID II and UK MiFIR professionals/ECPs-only/No PRIIPs or UK PRIIPs KID – eligible counterparties and professional clients only (all distribution channels). No sales to EEA or UK retail investors; no key information document has been or will be prepared. See the Base Prospectus for further information.

No action has been or will be taken in any jurisdiction in relation to the New Notes to permit a public offering of securities.

Priority of Acceptance and Acceptance Codes

The Borrower intends to accept Notes validly tendered pursuant to Tender and Priority Acceptance Instructions (such Notes, the “**Priority Notes**”) in priority to the Notes validly tendered pursuant to Tender Only Instructions (such Notes, the “**Tender Only Notes**”). The Borrower will not accept any Tender Only Notes unless it has accepted all Priority Notes at such time and the aggregate principal amount of Priority Notes accepted for purchase is less than the Maximum Acceptance Amount. To the extent any Priority Notes are validly tendered and accepted for purchase pursuant to the Offer, the portion of the Maximum Acceptance Amount available for the purchase of Tender Only Notes will be reduced by such amount and may be eliminated altogether.

Noteholders who have subscribed for and been allocated New Notes in addition to tendering their Notes for purchase pursuant to the Offer can receive Priority of Acceptance (over those who have not subscribed for and been allocated New Notes) through the use of an Acceptance Code for the acceptance of their Notes in the Offer. It is the Borrower’s intention to give such priority for an aggregate principal amount of the Notes held by a Noteholder equal to the aggregate principal amount of New Notes subscribed for, and allocated to, that relevant Noteholder in the primary distribution of the New Notes. Noteholders who wish to tender an aggregate principal amount of Notes which is greater than their allocation in the primary distribution of the New Notes should submit (i) a Tender and Priority Acceptance Instruction for an amount equal to the principal amount of the New Notes such Noteholder receives in the New Notes allocation (or for an amount equal to a lower amount than the principal amount of New Notes such Noteholder receives in the New Notes allocation if so specified) and (ii) a separate Tender Only Instruction in respect of such excess portion.

In order for a Noteholder to be eligible to receive Priority of Acceptance in the Offer, an Acceptance Code must be validly quoted in that Noteholder’s Tender Instruction (a “**Tender and Priority Acceptance Instruction**”).

Noteholders that wish to tender Notes for purchase pursuant to the Offer, but have not subscribed for and have not been allocated New Notes can only submit a Tender Instruction to this effect (a “**Tender Only Instruction**”).

A Noteholder who has subscribed for, and been allocated, New Notes will be provided with an Acceptance Code by the Dealer Managers when allocations for the New Notes are communicated to those investors that have engaged with the New Notes pricing process. Noteholders can make enquiries concerning the process of providing Acceptance Codes by contacting the Dealer Managers at the contact details included in this announcement. The receipt of an Acceptance Code in conjunction with the issue of the New Notes does not constitute a tender of Notes for purchase pursuant to the Offer nor does it grant Priority of Acceptance unless it is validly quoted in a Tender and Priority Acceptance Instruction and subsequently accepted for purchase pursuant to the Offer.

The Borrower reserves the right to treat any Tender and Priority Acceptance Instruction as a Tender Only Instruction subject to the final investor participation in the New Notes (if not already confirmed as at the time of the applicable Tender Instruction).

The Borrower may, acting in its sole and absolute discretion, decline to accept an application quoting the Acceptance Code in the event that the Noteholder specifies a wrong Acceptance Code, or in the case there is any other defect related to the Acceptance Code or Tender Instruction. The Borrower also reserves the right to waive any such defect and, in its sole and absolute discretion, accept such Tender Instructions in whole or in part.

If the aggregate principal amount of Notes tendered pursuant to a Tender and Priority Acceptance Instruction exceeds the aggregate principal amount of Notes for which such Noteholder is entitled to receive Priority of Acceptance pursuant to the relevant Acceptance Code, the Borrower reserves the right to accept such instruction on a pro-rata basis such that the aggregate principal amount of Notes the subject of any Tender and Priority

Acceptance Instructions which specify the same Acceptance Code does not exceed the Priority of Acceptance pursuant to the relevant Acceptance Code. In the event that a Tender and Priority Acceptance Instruction is only partially accepted, any amounts not so accepted by the Borrower will be treated as a Tender Only Instruction.

For the avoidance of doubt, no assurances can be given that any Noteholder that receives an Acceptance Code and/or submits a Tender and Priority Acceptance Instruction will be given Priority of Acceptance, or otherwise be eligible to participate, in the Offer. Participating in the Offer and requesting an Acceptance Code are subject to all applicable securities laws and regulations in force in any relevant jurisdiction, including those set out under “*Offer and Distribution Restrictions*” below.

Purchase Price and Accrued Interest

The Borrower will pay (or arrange to have paid on its behalf) the Purchase Price for any Notes validly tendered and accepted for purchase by the Borrower pursuant to the Offer.

If the Borrower decides to accept (subject to satisfaction of the New Financing Condition) valid tenders of Notes pursuant to the Offer, the Borrower will pay, or arrange to have paid on its behalf, the product of (i) the aggregate principal amount of the Notes of such Noteholder accepted for purchase pursuant to the Offer and (ii) the Purchase Price. The Borrower will also pay, or arrange to have paid on its behalf, an accrued interest payment in respect of any Notes accepted for purchase pursuant to the Offer (the “**Accrued Interest Payment**”). The Accrued Interest Payment will be an amount in cash (rounded to the nearest £0.01, with half a penny rounded upwards) equal to the interest accrued and unpaid on the Notes from (and including) the immediately preceding interest payment date for the Notes (being 31 January 2023) to (but excluding) the Settlement Date on the Notes validly tendered for purchase by a Noteholder and accepted by the Borrower pursuant to the Offer, calculated in accordance with the Notes Conditions. For the avoidance of doubt, interest due to Noteholders on 31 January 2023 shall be paid in accordance with the Notes Conditions.

The calculation of the Accrued Interest will be made in accordance with the Notes Conditions by the Issuer in its sole and absolute discretion and such calculations will be final and binding on Noteholders, absent manifest error.

Maximum Acceptance Amount and Scaling of the Offer

Subject to the New Financing Condition, the Borrower proposes to accept Notes for purchase pursuant to the Offer of no more than the Maximum Acceptance Amount. The Borrower reserves the right, in its sole and absolute discretion, to accept less than the full amount of Notes tendered pursuant to the Offer.

If, at the Expiration Time:

- (i) the aggregate principal amount of Priority Notes and Tender Only Notes is less than the Maximum Acceptance Amount, the Borrower intends to accept all such Notes for purchase (without applying the Scaling Factor);
- (ii) the aggregate principal amount of Priority Notes is greater than the Maximum Acceptance Amount, the Borrower intends to accept such Priority Notes for purchase on a *pro rata* basis and apply the Scaling Factor, and no Tender Only Notes will be accepted for purchase; and
- (iii) the aggregate principal amount of Tender Only Notes exceeds the Maximum Acceptance Amount, less the aggregate principal amount of additional Priority Notes, the Borrower intends to accept all such Priority Notes (without proration) and accept such Tender Only Notes on a *pro rata* basis and apply the Scaling Factor such that the aggregate principal amount of Notes accepted for tender is no greater than the Maximum Acceptance Amount.

In the circumstances described above in which any Notes validly tendered pursuant to the Offer are to be accepted on a *pro rata* basis, each such tender of Priority Notes or Tender Only Notes, as the case may be, will be scaled by a factor (the “**Scaling Factor**”) based on (a) in the case of the Priority Notes in (ii) above, (x) the Maximum Acceptance Amount, divided by (y) the aggregate principal amount of the Priority Notes validly tendered; or (b) in the case of the Tender Only Notes in (iii) above, (x) the Maximum Acceptance Amount, less the aggregate principal amount of the Priority Notes validly tendered and accepted, divided by (y) the aggregate principal amount of Tender Only Notes validly tendered, subject to adjustments to allow for the aggregate principal amount of Notes accepted for purchase, following the rounding of tenders of such Notes as described in the next sentence, to equal the Acceptance Amount exactly.

Each tender of Notes that is scaled in this manner will be rounded down to the nearest £1,000 in principal amount. In the event of any such scaling, the Borrower will only accept valid tenders of Notes subject to scaling to the extent such scaling will not result in (a) the relevant Noteholder transferring Notes to the Borrower in an aggregate principal amount of less than £100,000, being the minimum denomination for such Notes and (b) the relevant Noteholder's residual amount of Notes (being the principal amount of the Notes the subject of the relevant Tender Instruction that are not accepted for purchase by virtue of such scaling) totalling less than £100,000.

Each of the Borrower, the Issuer, the Obligors, the Dealer Managers and the Tender Agent reserves the right, in its sole and absolute discretion, to investigate, in relation to any tender of Notes for purchase pursuant to the Offer, whether any such representation given by a Noteholder is correct and, if such investigation is undertaken and as a result the Borrower determines (for any reason) that such representation is not correct, such tender shall not be accepted.
